Date of Posting: February 22, 2017

Course: Biochemistry 302, General Biochemistry

Qualifications: Applicants must have completed and passed course work equivalent to at least BIOC 303, be (or expect to be) holders of a bachelor’s or master’s degree in a relevant discipline, and be full-time graduate students working under the supervision of a faculty member at the University of B.C.

Duties: 1) Attendance at lectures  
2) Student tutoring and providing tutorial sessions  
3) Providing short lectures to students  
4) Invigilation of University examinations  
5) Attendance at course meetings  
6) Marking of exams

Hours of Work: The TA will provide fourteen 50 minute tutorial sessions and fourteen 50 minute question and answer sessions to BIOC302 students. The TA will be expected to attend all BIOC302 lectures (36 hours) as well as organizational meetings. The maximum time worked will be 92 hrs (excluding vacation) for this quarter-time appointment.

Salary: The salary for a quarter-time appointment during the 2017 summer will be:

GTA-I: $3,008.22  
GTA-II: $2,894.70

Application: Application forms are available from Biochemistry website (www.biochem.ubc.ca) and should be submitted to Sabrina Cheng, Administrator of Department of Biochemistry & Molecular Biology at sabrinac@mail.ubc.ca by March 31, 2017.

UBC hires on the basis of merit and is committed to employment. All qualified persons are encouraged to apply. UBC is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, persons of any sexual orientation or gender identity, and others who may contribute to the further diversification of ideas.

Canadians and permanent residents of Canada will be given priority.
