BIOCHEMISTRY AND MOLECULAR BIOLOGY DEPARTMENT
THE UNIVERSITY OF BRITISH COLUMBIA
Announcement of a Teaching Assistantship Position Available
For period of May to June 2019

Date of Posting: March 21, 2019

Course: Biochemistry 202, Introductory Medical Biochemistry

Number of Positions: It is anticipated that the equivalent of two (2) one-eighth positions will be available.

Qualifications: Applicants must have completed and passed course work equivalent to at least BIOC 303, be (or expect to be) holders of a bachelor's or master's degree in a relevant discipline, and be full-time graduate students working under the supervision of a faculty member at the University of B.C.

Duties: 1) Attend lectures 2) Prepare and deliver tutorial sessions 3) Provide student help during "office hours" 4) Participate on the PIAZZA discussion board 5) Invigilate midterm and final examinations 6) Attend course meetings 7) Mark exams

Hours of Work: The TA will provide six (6) 50-minute tutorial sessions and six (6) 50-minute question and answer sessions to BIOC 202 students. The TA will be expected to attend 7.5 of the 15 BIOC 202 lectures (22.5 hours) as well as organizational meetings. The maximum time worked will be 48 hrs which includes 2 hrs vacation time for this one-eighth time appointment.

Note: Full TAship is 384 hrs (368 hr work + 16 hr vacation (4%)). Therefore, pro-rated: 1/4 time TAship is 96 hr (92 hr worked + 4 hr vacation). 1/8 time TAship is 48 hr (46 hr worked + 2 hr vacation).

Salary: The salary for a one-eighth appointment during the 2019 summer will be:

GTA-I: $1,561.36
GTA-II: $1,502.44

Note: Latest CUPE 2278 release as of Sept 1, 2018: http://www.hr.ubc.ca/compensation/salary-administration/salary-scales/

Application: ***Application forms are available from Biochemistry website (www.biochem.ubc.ca) and should be submitted to Sabrina Cheng, Administrator of Department of Biochemistry & Molecular Biology at sabrinac@mail.ubc.ca by April 30, 2019.

UBC hires on the basis of merit and is committed to employment equity. All qualified persons are encouraged to apply. UBC is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, persons of any sexual orientation or gender identity, and others who may contribute to the further diversification of ideas. Canadians and permanent residents of Canada will be given priority.
