Date of Posting: March 24, 2020

Course: Biochemistry 302, General Biochemistry

Qualifications: Applicants must have completed and passed course work equivalent to at least BIOC 303, be (or expect to be) holders of a bachelor’s or master’s degree in a relevant discipline, and be full-time graduate students working under the supervision of a faculty member at the University of B.C.

Duties: 1) Attendance at lectures  
2) Student tutoring and providing tutorial sessions  
3) Providing short lectures to students  
4) Invigilation of University examinations  
5) Attendance at course meetings  
6) Marking of exams

Hours of Work: The TA will provide fourteen 50 minutes tutorial sessions and fourteen 50 minutes question and answer sessions to BIOC302 students. The TA will be expected to attend all BIOC302 lectures (36 hours) as well as organizational meetings. The maximum time worked will be 92 hrs (excluding vacation) for this quarter-time appointment.

Salary: The salary for a quarter-time appointment during Summer 2020 will be:

GTA-I: $3,177.60  
GTA-II: $3057.70

Application: **Application forms are available on Biochemistry website (https://biochem.ubc.ca/careers/) and should be submitted to Mark Mendoza, HR Manager, Department of Biochemistry & Molecular Biology at mark.mendoza@ubc.ca by April 24, 2020.

UBC hires on the basis of merit and is strongly committed to equity and diversity within its community. We especially welcome applications from visible minority group members, women, Aboriginal persons, persons with disabilities, persons of minority sexual orientations and gender identities, and others with the skills and knowledge to productively engage with diverse communities.

Canadians and permanent residents of Canada will be given priority.
