

BIOCHEMISTRY AND MOLECULAR BIOLOGY DEPARTMENT
THE UNIVERSITY OF BRITISH COLUMBIA
Announcement of Teaching Assistantship Positions Available For
academic year of 2020-2021

- Date of Posting:** April 6, 2020
- Course:** **Biochemistry 302**, General Biochemistry
- Qualifications:** Applicants must have completed and passed course work equivalent to at least BIOC 303, be (or expect to be) holders of a Bachelor or Master degree in a relevant discipline, and be full-time graduate students working under the supervision of a faculty member at the University of B.C.
- Duties:**
- 1) Attendance at lectures
 - 2) Student tutoring and providing tutorial sessions
 - 3) Providing short lectures to students on course background material
 - 4) Invigilation of University examinations
 - 5) Attendance at course meetings
- Hours of Work:** The TA will provide three 1 hour tutorial sessions to BIOC302 students each week and will be expected to attend BIOC302 lectures (3 hrs/ week) as well as organizational meetings. The maximum time worked will be 92 hrs (excluding vacation) per quarter-time appointment.
- Salary:** The salary for a quarter-time appointment during the 2020-2021 academic year will be:
- | | |
|---------|------------|
| GTA-I: | \$3,177.60 |
| GTA-II: | \$3,057.70 |
- Application:** Application forms are available from Biochemistry website (www.biochem.ubc.ca) and applications should be submitted to Mark Mendoza, HR Manager at mark.mendoza@ubc.ca by May 6, 2020 .

UBC hires on the basis of merit and is committed to employment equity. All qualified persons are encouraged to apply. UBC is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, persons of any sexual orientation or gender identity, and others who may contribute to the further diversification of ideas. Canadians and permanent residents of Canada will be given priority.

The University of British Columbia
2020-2021

Application For Teaching Assistantships In BIOC 302

Name: _____ SIN & UBC EID#: _____

Date of Birth: _____

Research Supervisor: _____

Telephone Numbers – Lab: _____

– Home: _____

E-mail Address: _____

Application(s) for:

Quarter-time: _____

Half-time: _____

Appointment(s) Requested:

[Quarter-time TAs generally work 1 term only: Sep. to Dec., or Jan. to Apr.
Half-time TAs work both terms: Sep. to Apr.]

Undergraduate Biochemistry Training and Previous Experience

Degree(s) Obtained (Discipline, Place, Date):

MSc: _____

PhD: _____

Program Registered in for 2020/2021 (PhD or MSc): _____

Signature: _____ Date: _____

Research Supervisor (Print Name & Signature): _____

ONLY NEW APPLICANTS NEED COMPLETE THIS SECTION

Brief outlines for the University of B.C. Biochemistry 301 and 303 courses are given below. Please outline all undergraduate biochemistry courses that you have successfully completed that are equivalent to or more advanced than these courses.

Bioc 301 Biochemistry Laboratory – Techniques by which the chemical and physical properties of fundamental components of the cell are studied.

Bioc 303 Molecular Biochemistry – Structure, function and metabolism of lipids, steroids, amino acids and nucleotides; the biochemistry and molecular biology of replication, transcription, translation and gene regulation. For Majors and Honours students in Biochemistry and Honours students in other life science programs.

Please outline any previous experience you have that may be relevant to your application.
