

Life Sciences Institute

Department of Biochemistry & Molecular Biology Online Seminar Series

2020 Astell Award

Katie Gyte & Laura Meleady

Join us for the presentation of the 2020 Astell Award for trainee activities promoting Equity, Diversity and Inclusion (EDI). The short award presentation will be followed by the BMB research seminar.

Dr. Natalie Strynadka

Professor,
Biochemistry and Molecular Biology, UBC

“Structure-guided antimicrobial discovery using a hybrid atomic toolbox.”

Monday, September 28, 2020, 2:30 pm
