STUDENT WELLNESS RESOURCE OF THE MONTH

In recent months, both the Canadian federal government and the government of BC have announced several policy changes. The cap on international student numbers does not apply to graduate students (more info). International students should be aware that extending a student permit typically takes at least three months. There have been no changes to the eligibility criteria for Post-Graduation Work Permits (more info). If you have questions, please contact the International Student Advising (more info).

EVENTS AND SEMINARS

May 13, 2:30pm joint BMB, CPS & MBIM EDI Seminar (LSC3): Dr. Joseph Osmundson (NYU)
